MID TOWN NEIGHBORHOOD GUIDE

*explore and learn about the
town in the center of it all*

WHO ARE WE?

Located between Downtown and University Circle, and at the intersection of multiple neighborhoods including AsiaTown and Hough, MidTown is a neighborhood on the rise. Here, you can find world-class hospitals putting down roots next to legacy manufacturers, catalytic nonprofits near historic concert venues, and neighbors representing a diversity of culture, and experience. Together, we celebrate what makes our community strong and unlike any other neighborhood in Cleveland. See some of the neighborhoods most notable places here in this brochure.
