Position: ICHC Licensed Social Worker

Status: Full Time, Exempt

Salary: Based on Qualifications and Experience

Location: Akron (primary), Cleveland (as needed)

Come join our team of Providers providing culturally competent care! ASIA-ICHC is looking for an experienced licensed social worker for our integrated care clinics in the Akron and Cleveland locations. If you have a passion to work with refugees and immigrants, this is an excellent opportunity. Be in an environment with diversity where you can be part of an interdisciplinary team. ASIA-ICHC is looking for a candidate who is a self-starter, reliable and efficient in dealing with client's behavioral challenges and addressing social determinants of health. Independent licensed individuals are preferred, but not required. Bonus: Student Loan Forgiveness; Supervision with LISW-S.

Position Summary:

- Provide clinical counseling; mental health and substance abuse services
- Assist with healthcare integration initiatives of general and behavioral healthcare, to assure that patients are provided with or connected to services including AOD, case management and clinical care
- Make internal and/or external referrals to meet patients' social needs
- Provide umbrella supervision and guidance for social work interns

Essential duties and responsibilities

- Provide clinical mental health services: mental health assessment, individual counseling, and group counseling as needed.
- Provide clinical supervision and support for social work interns.
- Provide professional training in individual, group, and family counseling, crisis intervention and emergency management with appropriate involvement of psychologist, psychiatry provider;
- Provide case management functions to ensure quality and outcome of patient care;
- Serve as a liaison between ICHC and other departments within ASIA Inc. to promote organization integration;
- Update and utilize the client referral system to better serve ICHC's patients' needs including integration with ASIA social service department and community resource database;
- Consult with professional staff, medical providers and nurses regarding ongoing or acute mental health issues. Review referrals to determine patient needs.
- Assure compliance with regulatory requirements, including maintenance and accuracy of required clinical records.
- Provide education to ICHC patients and communities in large we serve to promote awareness and outreach.
- Maintain all client information in a confidential manner in accordance with policy and HIPAA regulations.
- Work as part of the team to promote excellent patient experience and seamless patient care that is consistent with ICHC / ASIA values.

Qualifications:

- Current LISW in the State of Ohio or LPCC to practice in the State of Ohio or LSW (working towards independent license).
- Working knowledge of and ability to further implement integrated and collaborative care between Behavioral Health and Physical Health in a Primary Care setting and in community behavioral health systems.
- Demonstrated ability to identify and effectively utilize resources
- Demonstrated leadership skills, computer proficiency, in-depth written and oral communication skills, decision making skills; demonstrated ability to recognize alternatives, evaluate relevant information and make timely decisions
- In-depth emotional intelligence and ability to achieve desired results through collaboration with strong team leadership and membership skills
- Openness to working with diverse populations with a lens of cultural humility as well as a trauma informed and strengths based approach. Further, to work with individuals and groups including those with limited English proficiency, refugee population, AAPI, and limited income.
- Familiar with community resources in Summit County and/or Cuyahoga County
- Working in the field of social service or health care as a behavioral health provider and/or case manager
- Speaks a second language (such as Nepali, Chinese, Swahili, etc.) is preferred.
